

Articulation Agreements

An articulation agreement is a formal partnership between two or more institutions of higher education. The Northwestern Memorial Hospital School of Diagnostic Medical Sonography participates in agreements that are formed between its hospital-based program and a four-year academic institution with the goal of providing specialized, career-relevant training for students at the following university affiliates:

[Benedictine University](http://www.benedictine.edu)

5700 College Rd
Lisle, IL 60532

[Elmhurst University](http://www.elmhurst.edu)

190 S Prospect Ave
