

Northwestern Memorial Hospital School of Nuclear Medicine – Articulation Agreements

An articulation agreement is a formal partnership between two (2) or more institutions of higher education. The Northwestern Memorial Hospital School of Nuclear Medicine participates in agreements that are formed between its hospital-based program and four (4) year academic institutions with the goal of providing specialized, career-relevant training for intending students at the following university affiliates:

Benedictine University
5700 College Rd
Lisle, IL 60532

Elmhurst University
190 S Prospect Ave
Elmhurst, IL 60126

Lewis University
One University Parkway
Romeoville, IL 60446

North Central College
30 N Brainard St
Naperville, IL 60540

Roosevelt University
430 S Michigan Ave
Chicago, IL 60605

University of Saint Francis
500 Wilcox St
Joliet, IL 60435

University of Wisconsin – La Crosse
1725 State St
La Crosse, WI 54601

For students enrolled in a four-year degree program at one of the above universities, the Northwestern Memorial Hospital School of Nuclear Medicine is an independent 13-month academic and clinical program leading to eligibility for nuclear medicine certification for students who are concurrently enrolled at an affiliated university/college leading to a baccalaureate degree.
