

Northwestern Memorial Hospital School of Radiography – Articulation Agreements

An articulation agreement is a formal partnership between two (2) or more institutions of higher education. The Northwestern Memorial Hospital School of Radiography participates in agreements that are formed between its hospital-based program and four (4) year academic institutions with the goal of providing specialized, career-relevant training for intending students at the following university affiliates:

Lewis University
One University Parkway
Romeoville, IL 60446

Roosevelt University
430 S Michigan Ave
Chicago, IL 60605

University of Saint Francis
500 Wilcox St
Joliet, IL 60435

For students enrolled in a four-year degree program at one of the above universities, the Northwestern Memorial Hospital School of Radiography is an independent 21-month academic and clinical program leading to eligibility for radiography certification for students who are concurrently enrolled at an affiliated university leading to a baccalaureate degree.
